Children and youth in our community need our support more than ever.

Estimates indicate that up to 23% of DDSB students have experienced poverty, and Covid-19 has exacerbated the problem. This means that children and youth in our DDSB family may not have access to the essentials that set them up for success - warm clothing and footwear, nutritious meals, and school supplies.

The Ignite Durham Learning Foundation is working hard to reduce inequities and financial hardship for students and their families to support the success of all DDSB students, but we need your help.

Please consider giving a gift of hope this holiday season, and together, we can create a brighter future for all children and youth in the DDSB.

The background of the entire page is a light blue-tinted photograph of two children in winter clothing. The child on the left is a girl with blonde hair, wearing a patterned winter hat and a dark jacket, smiling. The child on the right is a younger child, possibly a boy, wearing a grey knit hat and a dark jacket, also smiling. The image is decorated with white snowflake graphics of various sizes. In the center, there is a logo consisting of a fan of colorful triangles (orange, yellow, red, pink) radiating from a central point. Below this logo, the word "IGNITE" is written in large, bold, blue capital letters. Underneath "IGNITE", the words "Durham Learning Foundation" are written in a smaller, blue, sans-serif font.
